

WE'RE GLAD YOU'RE HERE

We are so glad that you chose to attend New Hope Ministries today. Whether you are a new believer, just coming back to church, or a long-time follower of Jesus, we hope you find your time with us inviting and edifying. For more detailed information about New Hope and our various ministries, classes, and events, please visit our website at newhopenaples.com.

FIRST-TIME GUESTS

If this is your first time with us, we hope you enjoy your experience with us today. At the end of our service you will be invited to join Pastor Grant and his wife, Susan, in our Hospitality Room for refreshments, a gift, and the opportunity to ask any questions you may have about our church.

SERVICE SNAPSHOT

A typical service at New Hope Ministries lasts just over an hour. During our services, we love to sing praises to God followed by a message from Pastor Grant Thigpen from the Word of God. At the close of the service, you are welcome to come forward for prayer. Feel free to pray on your own or with one of our trained prayer partners.

GIVING

We do not pass an offering basket during our services. Instead, there are large white offering boxes located in the foyers and at each doorway. Giving envelopes are located in the chair-back pockets. You may also give online at newhopenaples.com, with PushPay via the iPad in the south foyer or use the text to give option by texting [newhopenaples to 779777](tel:2393480122).

KEEP IN TOUCH

If you or a family member are hospitalized, please notify the church office.

If your contact information has changed, please notify the church office.

If you would like to receive our weekly e-blasts, please be sure we have your email address.
