CLASS DESCRIPTION

MISSIONS:

TYPES AND SHADOWS:

THE BOOK OF HEBREWS: The author of Hebrews calls us to, "hold fast the profession of our faith without wavering; for he is faithful that promised" (Hebrews 10:23). This course will explore how we are to stand on our faith and not on our old ways of thinking and believing, as our ancient Christian counterparts were also apt to do. Melchizedek's role will be discussed considering his relationship to Christ whose superiority is delineated throughout the book and course.

LEADERSHIP:

CHRISTIAN INTEGRITY: 2 Chronicles 7:14 tells us what we are to do for God to forgive and restore. Are you called by His name? Do we humble ourselves, pray, seek the face of God? Do we practice ways that displease God? This course will open your eyes to the lifestyle our Creator intended for us to live.

THE BOOK OF REVELATION: According to Revelation 1:3, the final book of the Bible is the only one that contains a declared blessing to those who read it and obey its instructions. This book is not just about frightening and inexplicable end-time prophecies. The book of Revelation provides a fuller picture of Jesus Christ and encourages believers to hold fast to their faith and continue following Christ no matter what they might face. Topics explored include the antichrist, rapture, tribulation period, mark of the beast, 144,000, two witnesses, Millennium, new heavens, new earth and New Jerusalem.
